## War and peace word-search (© Roots for Churches Ltd; CYP20 (November 2005) Remembrance Sunday)

This was meant to be 11 X 11 to remind us of the  $11^{th}$  hour of the  $11^{th}$  day of the  $11^{th}$  month when peace was declared at the end of World War 2. (In fact, it's 11 x 10.)

There are 22 words here connected in some way with war and peace. They go in different directions and some overlap. When you have found them all and crossed them through, cross out the asterisks as well and you'll be left with some words that Jesus said to his followers (John 20.19).
